

**Monday, 29 May 2017 - 9:00 am - 3:00 pm**

Workshop leader: Mark Lockett

**Workshop Overview:**

The LEGO Education EV3 workshop is a hands-on experience for Middle/Upper Primary and Secondary School teachers. The workshop will lead participants through a series of engaging challenges that are relevant to the Australian STEM Curriculum.

The workshop session is designed to encourage collaborative working and to have some fun!

**Real world Based Challenges.**

Hands-on experiences to implement in your classroom.

Find out how to deliver the curriculum in an engaging way.
