

# QSITE GOLD COAST PROFESSIONAL LEARNING 2024

You are invited to join us at our Term 2 TeachMeet for 2024. It will be an afternoon of conversations and ideas around teaching with technologies.

**TEACHMEETS** provide a casual platform for educators to engage in professional learning and networking, where they can come together to exchange innovative and captivating ideas. Our objective is to initiate a dialogue among participants. The presentations are brief yet impactful, designed to motivate the audience to interact with the presenters and expand their Professional Learning Network. You may wish to share, to listen, to participate in Q&A ... it's up to you.

## TOPICS (5-10 MIN EACH) WILL INCLUDE:

This term's focus is 'Microcontrollers, Robotics & Drones' and will include:

- Curriculum, Robotics on the GC
- Drones
- AI & Robotics
- Micro:bits in the Curriculum
- Have a successful tech project or tool to share? Volunteer to present and inspire your peers with your insights.
